A DISTRIBUTION PLATFORM THAT HELPS YOU SELL.

The Process.

1

Research Stock in Kenekt.

Discover over 800 house and land packages and apartment options available anytime. Log in now to explore locations and price points!

2

Enquire on stock.

Your journey begins with a simple enquiry! Click the enquiry button on any property details page or submit a general enquiry, and we'll assist you from there.

3

Enquiry assistance with Kenekt.

Our Kenekt team or the builder's Business Development Manager (BDM) is ready to assist with your enquiries promptly.

4

Confirmation of details.

Our team is here to help by confirming availability, sharing commission details, providing additional information, and answering any questions you may have.

5

Present to Client.

You're now ready to present to your clients! Create a customised flyer featuring your logo and details, or white-label the portal to deliver enhanced marketing materials that make a lasting impression.

Frequently Asked Questions.

What is the turnaround time to confirm a property is available?

A: Our goal is to respond within a few hours.

What happens after I enquire through the platform?

A: Our Kenekt team or the builder's BDM will manage your enquiry and respond promptly. Rest assured, Kenekt closely monitors all enquiries for a seamless experience.

How do I get paid?

A: You should have a signed marketing agreement with Kenekt. If you're unsure, feel free to reach out for confirmation. Please note, for certain stock, your marketing agreement will be directly with the builders. These arrangements will be clearly indicated on the platform.

Is Kenekt an Aggregator?

A: Yes, Kenekt aggregates **a percentage** of the stock to streamline the flow of information and enhance efficiency.

How does Kenekt make money?

A: Kenekt earns a lead generation fee on a select percentage of stock, separate from agent commissions. For other stock, a minimal service fee is deducted from the commissions.

Q: Can I make a custom request?

A: Yes! Simply reach out to the stock management team for assistance.
